CAIXIN: CHINA FROM THE INSIDE

As China's most influential and independent financial media outlet, Caixin is recognized as an unrivaled producer of investigative journalism and an indispensable source of information for business leaders, investors, and policymakers.

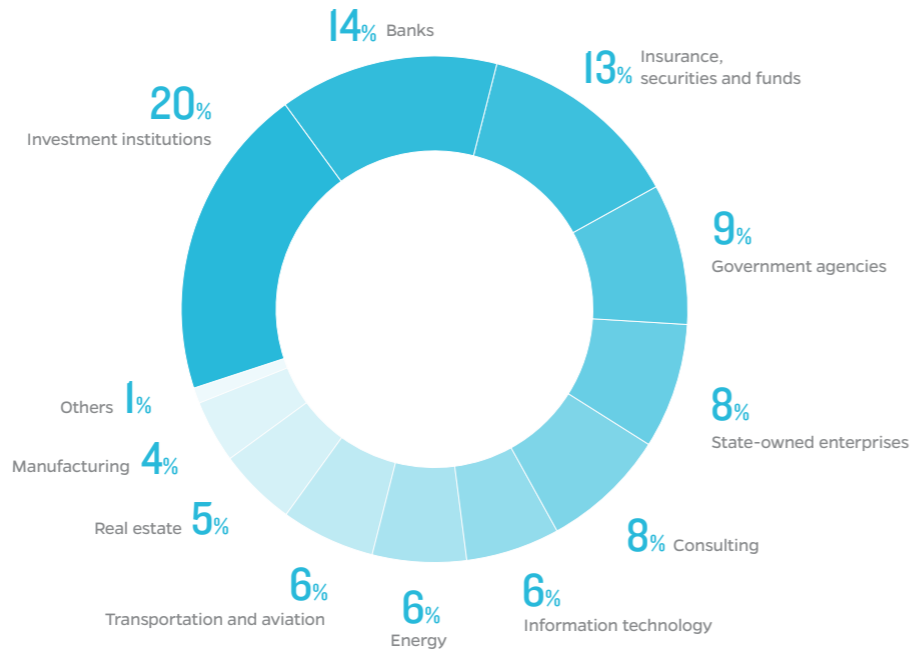

HU SHULI
PUBLISHER OF CAIXIN MEDIA

Led by Hu Shuli, an internationally renowned journalist and publisher, Caixin's newsroom features more than 200 Chinese and international reporters, editors, and analysts, who deliver 24-hour coverage of China's economy, finance, and business scenes.

Caixin has a strong financial data capability powered by its think tank arm, Caixin Insight, and financial information databases CEIC and EMIS, which were acquired from Euromoney Institutional Investor PLC. Its financial data products help decision-makers around the globe to know China better from a data perspective.

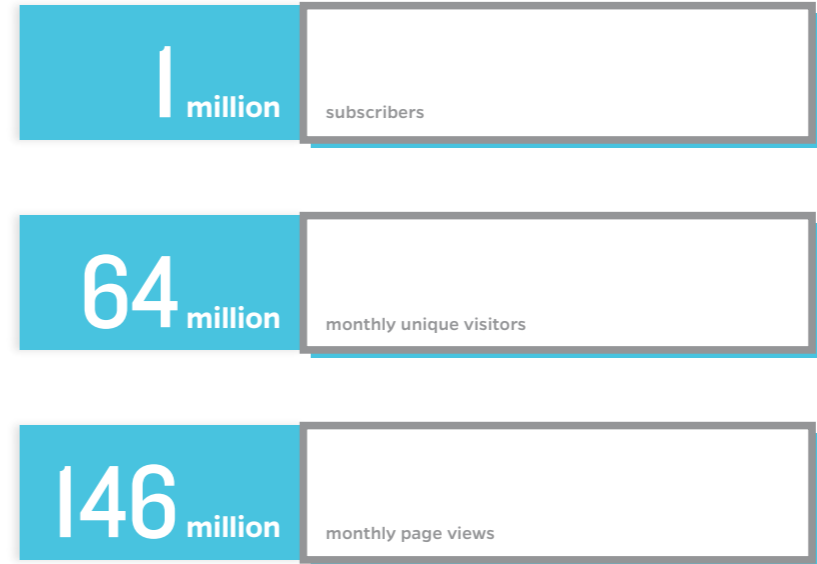

OUR IMPACT

05.

High-Net-Worth Readers

Strong Online Influence

07. TRUSTED NEWS SERVICE

A go-to source
for quality China news and analysis.

Caixin launched a paywall for its English and Chinese news services successively in 2016 and 2017. With a paid subscription, readers can have unlimited access to Caixin's 24/7 news updates, in-depth analysis, and data services tailored to their needs. It is the first Chinese media company to implement a site-wide paywall and make forays into the subscription model.

09. INDEPENDENT WITH HIGH INTEGRITY

To ensure journalistic integrity, Caixin not only maintains the highest professional and ethical standards, but it has also set up a public confidence committee composed of respected intellectuals and academics entirely independent of Caixin's board of directors and management. The committee has the final say when it comes to setting editorial principles, as well as the power to appoint or dismiss the editor-in-chief.

CAIXIN SUMMIT SERIES

The Caixin Summit Series is composed of high-level events Caixin holds regularly at home and abroad, including the Caixin Summit, Caixin international roundtables, and domestic forums. The Caixin Summit Series not only brings together top-level decision-makers and opinion leaders for critical discussions about the Chinese economy and finance, but also functions as a data and research-based powerhouse of thoughts and ideas that helps shape communications between China and the world.

Top Knowledge and Networking Platform

财新峰会 Caixin Summit

— Caixin Media's flagship event

- One summit, which is Caixin's annual conference in Beijing, and at least one overseas summit every year
- Each summit is at least two days with over 2,000 attendees
- Feature both open forum and closed-door sessions
- Attendees include global leaders and decision-makers from politics, business, finance, and academia

财新论坛 Caixin Forum

Regional Forum — domestic forums focusing on regional development

- Different forums each year in key regions, such as the Yangtze River Delta and China's Greater Bay Area
- Each forum is a one-day meeting, including a high-level closed-door session
- Attendees include regional politicians and business leaders

Caixin Roundtable 财新国际圆桌

Global Roundtable

— leading debates on global issues with China insight

- Caixin Roundtables are usually held on the sidelines of the foremost global events such as the World Economic Forum Annual Meetings, BRICS summits, APEC summits, G20 summits, and the IMF and World Bank Annual Meetings
- Each roundtable is a half-day meeting featuring closed-door and open sessions, where candid, in-depth, and constructive dialogues can emerge and thrive, mapping out strategies for public and private sectors alike
- Speakers and attendees include China's decision-makers, business leaders, prominent thought leaders and their global counterparts

In-depth Research

Combining leading-edge insights and solid research capacity, the Caixin Summit Series provides a strong intellectual basis for making policies on key issues related to China and the world.

Data Smart

Caixin maintains a strong data presence by providing timely and in-depth data analysis and top-tier databases acquired from international financial information providers, which empowers the Caixin Summit Series as a data-rich idea-exchange platform.

Live Journalism

In addition to closed-door conversations with decision-makers, the Caixin Summit Series includes public sessions featuring live journalism, live streaming and social media interactions, allowing participants to engage influential minds worldwide in live panel debates and news-making conversations.
